To help save money at the games he is looking for volunteers to help with set up before the games. The triangles have been rebuilt and are ready for the 1<sup>st</sup> games. We have enough people to help with the chains. We have a new scoreboard, the cost of the board was \$14,000.00 but it's a great way to advertise, so if you know anyone who would like to put there business up there please see Jeremy. August 18<sup>th</sup> is all Sports Mandatory Meeting, 1 parent must be there for each player, if you have a child that plays multiple sports you only need to attend the meeting 1 time though out the year. All IQ forms must be filled out and turned in your child cannot play! Sept 17<sup>th</sup> or 24<sup>th</sup> Channel 2 will be doing a tailgate party in our parking lot before the game, more information to follow.

**Treasurer's Report:**

We have had some activity last month because of the Dinner auction; we have also had to make the interest payment on the turf. Please see attached report.

**Turf:**

The Board Members had a meeting with the Signers of the note for the turf, and explained to them that we just cannot continue to be a "Turf Club" and not a "Booster Club" they totally understand our position, So after some meetings a offer was given to us that if we can come up with \$20,000.00 payment in the next few months the signers will take care of the remaining balance on the turf!! This is a great offer for us, so we are asking if everyone one can please make one last push to help us raise the money to meet the \$20,000.00, as everyone you know we will take **Anything**. Dennis Guthmiller pledged the 1<sup>st</sup> \$1000.00 and he also said that is fall if you use him for your Sprinkler Blowouts he will donate all the money from that to the turf! I did not catch the name but another booster agreed to donate \$250.00. Mike McCarthy also agreed to a \$1000.00 donation.

Our Next meeting is Sept 7<sup>th</sup> 2010 7:00pm in the MHS Cafeteria.
