

Dear Valued Community Leader,

Nothing says tradition more than Meridian High School, the first high school in Meridian, Idaho – dating back over a century! As you may know, Meridian High School, as well as our Football Program, has been in major transition in recent years. A renewed energy and positive transformation is taking shape, in an extremely fast pace! With that, we, Warrior Football Boosters, a non-profit corporation, is looking for proud partners of the Community to assist and support the Program, as well as ALL sport-related activities. Warrior Football Boosters has set out on a mission this year to assist building, if not build, an Indoor Athletic Training Facility, as well as update the current outmoded weight-room facility. This Indoor Athletic Training Facility and updated weight-room is a necessity to build the growing Football Program, as well as ALL sports-related activities offered at Meridian High School. We cannot do this without our Community's help. Each year our Football Program, through the Boosters, raise funds through the extra effort of our parents and players, as well as members of our Community. ***We now invite you to join the Meridian Warriors family and help make a lasting positive impact on the lives of the future Warrior Football players as well as ALL student-athletes attending Meridian High School.***

See below for several ways you and/or your business can help. In addition to below, and attached for your review. We have brought back the personalized pavers to be placed in the Stadium's "Warrior Walk":
